Dear Harold:

Book business has been quiet, but we have sold a few of your "Whitewash." When are you appearing around here again? We had very favorable reports from people that heard you. Wish you could get on Ed Harvey's Show.

As to your Men's Club appearance Sept 20th we are giving a free dinner to the 350 men plus wives. There should be about 450 to 500 to hear you. Our publicity kicks off on the 15th of august. I'll send you bits & snatches. The meal starts about 6:30 contact me & we will go up together.

Hope the new book gets a publisher, let me know.

Ozzie
